

## PRODUCT INFORMATION

### ALUMINIUM BRASS ROUND BAR

PRODUCT INFORMATION

Alloy	C68700, CZ110, C6870, CuZn20AL2 & Equivalent
Condition	Drawn, Extruded
Norm	ASTM, BS, DIN, JIS AND EQUIVALENT
Size Range	20mm to 250mm

#### Applications:

##### Marine industry

Propeller, Pumps  
Valves and Fittings

##### Heat Exchanger & Radiator

Heat Exchanger Tubes  
Radiator Components

##### Automotive and Aerospace

Radiator Cores  
Brake Components  
Fittings and Fasteners

##### Electrical Components

Connectors  
Terminals  
Electrical fittings

##### Architectural and Structural Applications

Architectural Fittings  
Railings

##### Industrial Machinery

Industrial Machine Parts

#### Properties :

Machinability	Good
Hot Workability	Good
Cold Workability	Good
Thermal Conductivity	Good
Corrosion Resistance	Excellent
