

PRODUCT INFORMATION

BAKELITE ROUND BAR

PRODUCT INFORMATION

Material	Bakelite
Condition	Reinforced with Paper, Cotton, Glass, Asbestos
Norm	US, IS, & Equivalent
Size Range	6mm to 50mm

Applications:

Electrical Insulation

Insulators
Bushings
Supports for Electrical Circuits

Automotive Industry

Switchboards
Steering Wheel Hubs

Mechanical Components

Bearings
Bushings, Gears
Washers in Heavy Machinery.

Tool Handles

Screwdrivers
Wrenches

Decorative and Industrial Items

Industrial Knobs
Switches

Properties :

Machinability	Good
Dimensional Stability	Excellent
Electrical Insulation	Excellent
Surface Finish	Good
Flammability	Self- Extinguishing
Resistive to Oil, Solvents, and Mild Acid
