

PRODUCT INFORMATION

BRASS FITTINGS

PRODUCT INFORMATION

Alloy	C36000(CW614N), C37700 (CW617N), C38500(CW612N),
	C27200 (CW508L), C46400 (CW706R),
	C44300 (CW706R)
Condition	Forged, Buttweld, Welded
Norm	ASTM, ASME/ANSI, BS, EN/ISO and Equivalent.
Size Range	1/4" to 4"

Applications:

Plumbing Systems

Pipes and valves
Connectors and adapters
Taps and faucets

HVAC Systems

Refrigerant lines and fittings
Control valves and regulators

Automotive Industry

Fuel line fittings
Cooling system components
Brake line connectors

Electrical Applications

Connectors and terminals
Switches and relays

Construction and Infrastructure

Hydraulic systems
Compressed air systems

Marine Applications

Boat plumbing and fuel systems

Properties :

Machinability	Excellent
Hot Workability	Good
Cold Workability	Excellent
