

## PRODUCT INFORMATION

### BRASS PIPES / TUBES

PRODUCT INFORMATION

Alloy	CuZn37, CuZn40Pb2, CuZn20Al2As, C2700, C35330, C68700 and equivalent
Condition	Annealed
Norm	ASTM, BS, DIN, JIS AND EQUIVALENT
Size Range	6mm to 150mm
Wall Thickness	0.5mm to 5mm

#### Applications:

##### Industry Application

Gas lines  
HVAC systems

##### Marine Applications

Boat fittings  
Marine hardware  
Underwater piping

##### Plumbing

Water supply lines  
Fittings and valves

##### Decorative Uses

Fixtures and fittings  
Handrails and decorative piping

#### Properties :

Machinability	Good
Cold Workability	Excellent
Soldering / Brazing	Excellent
Formability	Excellent
Sea Water Resistance	Excellent
