

PRODUCT INFORMATION

BRONZE HOLLOW BAR

PRODUCT INFORMATION

Alloy	RG5, RG7, RG12, AND LG2
Condition	CG Continuous Casting
Norm	ASTM, BS, DIN, JIS AND EQUIVALENT
Size Range	26x14mm to 454x386mm

Applications:

Marine & Shipbuilding Industry

Propellers & Pumps
Underwater Fittings & Valves

Industrial Machinery & Engineering

Gears & Worm Wheels
Valves & Pump Components in oil & gas
Slide Plates & Strips

Electrical & Electronics

Contacts & Springs in electrical switches
Connectors, Relay
Power Transmission
Wire & Cables in telecommunications

Construction & Architectural Applications

Doors, Windows & Railings
Coins & Medals
Sculptures & Monuments

Automotive & Aerospace Industry

Plain Bearing Shells
Brake Discs & Clutch Components
Engine Parts

Properties :

Machinability	Very Good
Finish	Pre-Lathe Quality
Ductility	Moderate to High
Wear Resistance	Excellent
Corrosion Resistance	Excellent
