

PRODUCT INFORMATION

GOLDEN
HARBOUR

BRONZE SHEET

PRODUCT INFORMATION

Alloy	Cu Sn 6, W-Nr. 2.1020, CW 452 K and Equivalent
Condition	Rolled
Norm	ASTM, DIN, JIS AND EQUIVALENT
Size Range	300X2000mm
Thickness	1mm to 8mm

Applications:

Architectural and Construction Application

Roofing and Cladding
Doors and Windows
Building Fixtures

Marine Applications

Boat and Ship Component
Marine Hardware

Machine and Engine Parts

Bearings and Bushings:
Gears and Cogs

Electrical Components

Electrical Contacts
Electrical Connectors

Automotive Applications

Brake Linings
Heat Exchangers

Industrial Applications

Machinery Parts
Hydraulic Systems

Piping and Fittings

Plumbing and HVAC

Properties :

Machinability	Good
Hot Workability	Fair
Cold Workability	Good
Wear Resistance	High
Corrosion Resistance	Excellent
