

PRODUCT INFORMATION

COPPER HEX BAR

PRODUCT INFORMATION

Alloy	C1100, C18200, C10200, and Equivalent
Condition	Drawn, Extruded
Norm	ASTM, DIN, JIS AND EQUIVALENT
Size Range	5mm TO 90mm

Applications:

Manufacturing and Engineering

Machine Parts
Heat Exchanger

Electrical Application

Connectors and Terminals
Wires and Cables

Automotive Industry

Fittings and Components
Radiators

Plumbing & Sanitary Fittings

Pipe and Tubes
Fittings

Marine& Aerospace Application

Heat Sink and Cooling System
Structural Components

Renewable Energy

Solar Panel
Energy Storage

Properties :

Machinability	Excellent
Hot Workability	Excellent
Cold Workability	Good
