

PRODUCT INFORMATION

STAINLESS STEEL FITTING

PRODUCT INFORMATION

Alloy	304,304/L,316,316/L, 904, Duplex and Super duplex
Condition	Forged, Buttweld, Welded
Norm	ASTM, ASME, MSS SP-43, EN, ISO AND Equivalent
Size Range	1/2" to 48"

Applications:

Industrial Piping Systems

Chemical processing plants
Petrochemical and oil & gas industry
Power generation

Plumbing and Water Supply

Potable water systems
Hot water distribution
Sanitary fittings in hospitals and cleanrooms

HVAC and Refrigeration

Chillers and heat exchangers
Cooling lines and refrigeration gases

Marine Applications

Saltwater piping system
Ballast systems and ship plumbing

Automotive and Aerospace

Fuel lines and brake systems
Hydraulic systems in aircraft

Properties :

Corrosion Resistance	Excellent
Fabrication and Weldability	Excellent
Heat Resistance	High
Non - Magnetic
