

## PRODUCT INFORMATION

### WIRE MESH

PRODUCT INFORMATION

Alloy	SS 304/L, SS316/L, BRASS
Type	Woven
Size Range	1 to 300Mesh; 1mtr X 30mtrs Roll

#### Applications:

##### **Filtration and Screening**

Water Filtration  
Air Filtration  
Oil and Gas Filtration  
Food & Beverage Filtration

##### **Security and Fencing**

Factories  
Warehouse  
Construction Sites

##### **Industrial and Manufacturing**

Filtration and Sieving  
Screens and Sieves  
Industrial Strainers  
Conveyor Systems

##### **Automotive and Aerospace**

Exhaust Systems  
Air Filtration  
Grilles and Protectors

#### Properties :

High Strength & Durability  
High Resistance to Corrosion & Oxidation  
Heat & Fire Resistance  
Antimicrobial Properties (Brass)
